Thanks.

Will look to loop with Martinez staff tomorrow.

Folks

We need to get this done - NM is poised to  
announce that they are opening the river.

Mathy- The UAC-JIC has not seen anything on  
data from any region. We have no info on  
which to base any messaging. I was told that  
HQ and the regions were working together to  
give us something to review. We need to see  
what they want to post and what it means.

Matt: Just left a message - I understand data for 8 and 6 have been reviewed and we're good. I understand that 9 has sent or should be sending to UAC shortly. UAC-JIC should be developing the message now.

Subject: Data

Can you give me a head's when we are getting ready to share the data so that the Administrator can place a call.
